ADVANCED COURSES

Parent signature below verifies that the parent and student have read and signed the Honors Contract and agree to adhere to the requirements of the course, including summer work.

Summer assignments are located at www.austinhighmaroons.org > Students > Summer Assignments

GIFTED/TALENTED

Students identified as GT should register for Advanced classes in the area of their special talent. However, if you decide not to select the Advanced course in the area of special talent, your signature below indicates that your child will be furloughed or exited from the GT program.

By signing below, we verify that we agree to all requirements, including summer work (if required), for any Advanced courses selected and possible GT furlough or exit.

My signature below confirms that these are the courses I request to be scheduled for the 2021-2022 school year. We understand that school resources will be allocated based on these choices.

"Change of Mind" requests will NOT be made after May 28, 2021.
